

Free Papers & Posters Award's Rules

Congress « Ophthalmic Imaging : from Theory to Current Pratice »

Conference Center CAP 15 Paris September 30, 2016

1. VuExplorer Institute is organizing a special award for best oral presentation of free paper or poster presented on September 30, 2016 during the Ophthalmic Imaging congress.

2. Award's participation:

Any attendee or speaker who will attend the Congress, can submit an abstract to VuExplorer Institute.

3. Abstracts' Topic:

Proposals for abstract will be selected on the imaging criteria, on topics such as Cornea, Retina, Glaucoma or Anterior Segment.

4. Presentation and formatting:

All abstracts have to be sent to VuExplorer Institute with a summary in English and/or in French which will not exceed 200 words to this following email address:

contact@vuexplorer.fr

The title, the first name and the last name of the authors, the city and the country must be mentioned.

The printing of the poster abstract is to be expected on a A0 size: 84.1cm wide on 118.9cm height.

At your arrival, all abstracts will be displayed on specific panels. The Free Papers Programme will be established after August 22nd.

5. Selection and presentation:

The abstract selection will be made by VuExplorer Institute on many criteria : didactic interest, originality, scientific progress or aesthetic.

6. Best Presentation Award:

This prize for best presentation will reward the most didactic or most relevant clinical case which will be chaired by the Award committee.

For the 2016 edition of the Congress, the reward will be a touch pad and the possibility of a subsequent publication in a journal.
